**The field will be capped at 42 teams**

**RULES:** The 1<sup>st</sup> and 2<sup>nd</sup> place teams will be determined in a mixed format of “pool play” and a “single elimination” bracket. Initially, the field will be divided into 3 team pools by random draw and the pool members will play each other in 3 game matches. The win-loss records and points scored will determine seeding for the championship bracket round (single elimination). Please be sure to accurately record your scores on the pool score sheets provided. This is meant to be fun and everyone is guaranteed two matches and at least one game in the bracket play round (minimum of 4 games to 15 and at least one game to 21).

**POOL PLAY RULES:** Pool play will begin at 6:30 and end no later than 8:00 pm. Partial results for final matches in the pool play round will be taken as-is for wins, losses and points scored.

-Best of three games matches will be played to 15 points in the pool play round. If a tie of 15 occurs, the next team to score wins that game. As you play in the pool play round, please fill out your team's result sheet completely and turn into the scorer's table as soon as possible after your pool finishes.

-Pool assignments will be posted shortly after registration has completed and we ask that you find your “court” and your opponents to start your matches as soon as is possible. If you are not sure who you play or where, please ask at the scorer's table. *As game times can vary in the championship round, please be prepared to play your match earlier than expected or on a different court than designated to speed up play as needed.*

**INTERMISSION:** 50/50 DRAWING RESULTS & DRAWING FOR FOUR (4) 2017 REGULAR SEASON BEAR'S TICKETS will occur as the results are tabulated and the seeding is finished. Please grab a beverage or some eats and listen for announcements.

**CHAMPIONSHIP SINGLE ELIMINATION PLAY:** Begins as soon as seeding is completed (around 8:15 or so if all goes well...). Championship matches during bracket play are single elimination. All bracket games will be played to 21 points. The courts will be cleared as the teams are eliminated until we have the final 4 and the Championship games. Please stick around, grab a beverage and cheer on the survivors!

***1<sup>st</sup> Prize is \$200/team and FREE entry to DEFEND next year!***

***2<sup>nd</sup> Prize is \$100***
