Alleman High School Hires Caleb Davison as Head Girl's Golf Coach

Alleman High School is pleased to announce the hiring of Caleb Davison as the Head Girl's Golf Coach. Davison, a Davenport Central grad, excelled as a golfer at Blackhawk College in 2009-2010 and at Concordia University in Seward, NE from 2011-2012. During Caleb's time at Concordia he set the current record for the lowest two day total.

Since Davison's time as a student-athlete, he has served as an assistant golf professional at the Davenport Country Club and most recently at Short Hills Country Club. Caleb currently is a level 1 in the PGA Golf Management University program and is actively pursuing membership to the PGA. Given Caleb's background and experiences as a student-athlete and assistant golf professional, Alleman High School is excited to have Caleb Davison take over the girl's golf program and become a valuable asset to the athletic department, high school, and community.

The first meet of the 2016 season for the Pioneers Girl's Golf team will be August 20 at the Rocket Invite at the Rock River Country Club in Rock Falls, IL. For more information about Alleman Catholic High School, please visit our website at www.allemanhighschool.org or call the athletic department office at 309-786- 8742.
